

## INSPIRING EVENTS IN THE ALNWICK GARDEN

The Alnwick Garden is a truly unique setting for the most inspiring of events. Conferences overlook one of the world's most exciting gardens, and meetings take place in light and contemporary spaces with state-of-the-art technology. You can take a break with a walk through a captivating landscape, or with drinks in a treetop bar. In the evening, drinks and dinner are served with a view of the Grand Cascade, and spill onto terraces that sparkle with thousands of twinkling lights.

## THE SPACES

### The Pavilion

Whether for a reception for 800 people, a presentation for 200 or a dinner for up to 500 people, The Pavilion offers beautiful, flexible spaces with the most captivating of panoramas. Smaller rooms give the perfect opportunity for break-out, meetings and presentations, or intimate lunches, dinners and receptions. The Courtyard Room and the Education Room are just outside the walls of The Garden. The Pavilion is inside The Garden's walls, and overlooks the landscape.

### The Treehouse

The Treehouse is one of a kind, and an original place for a reception or dinner with a warm atmosphere. For smaller groups, The Treehouse bar offers a more intimate space.
