Scooter Safety Instructions

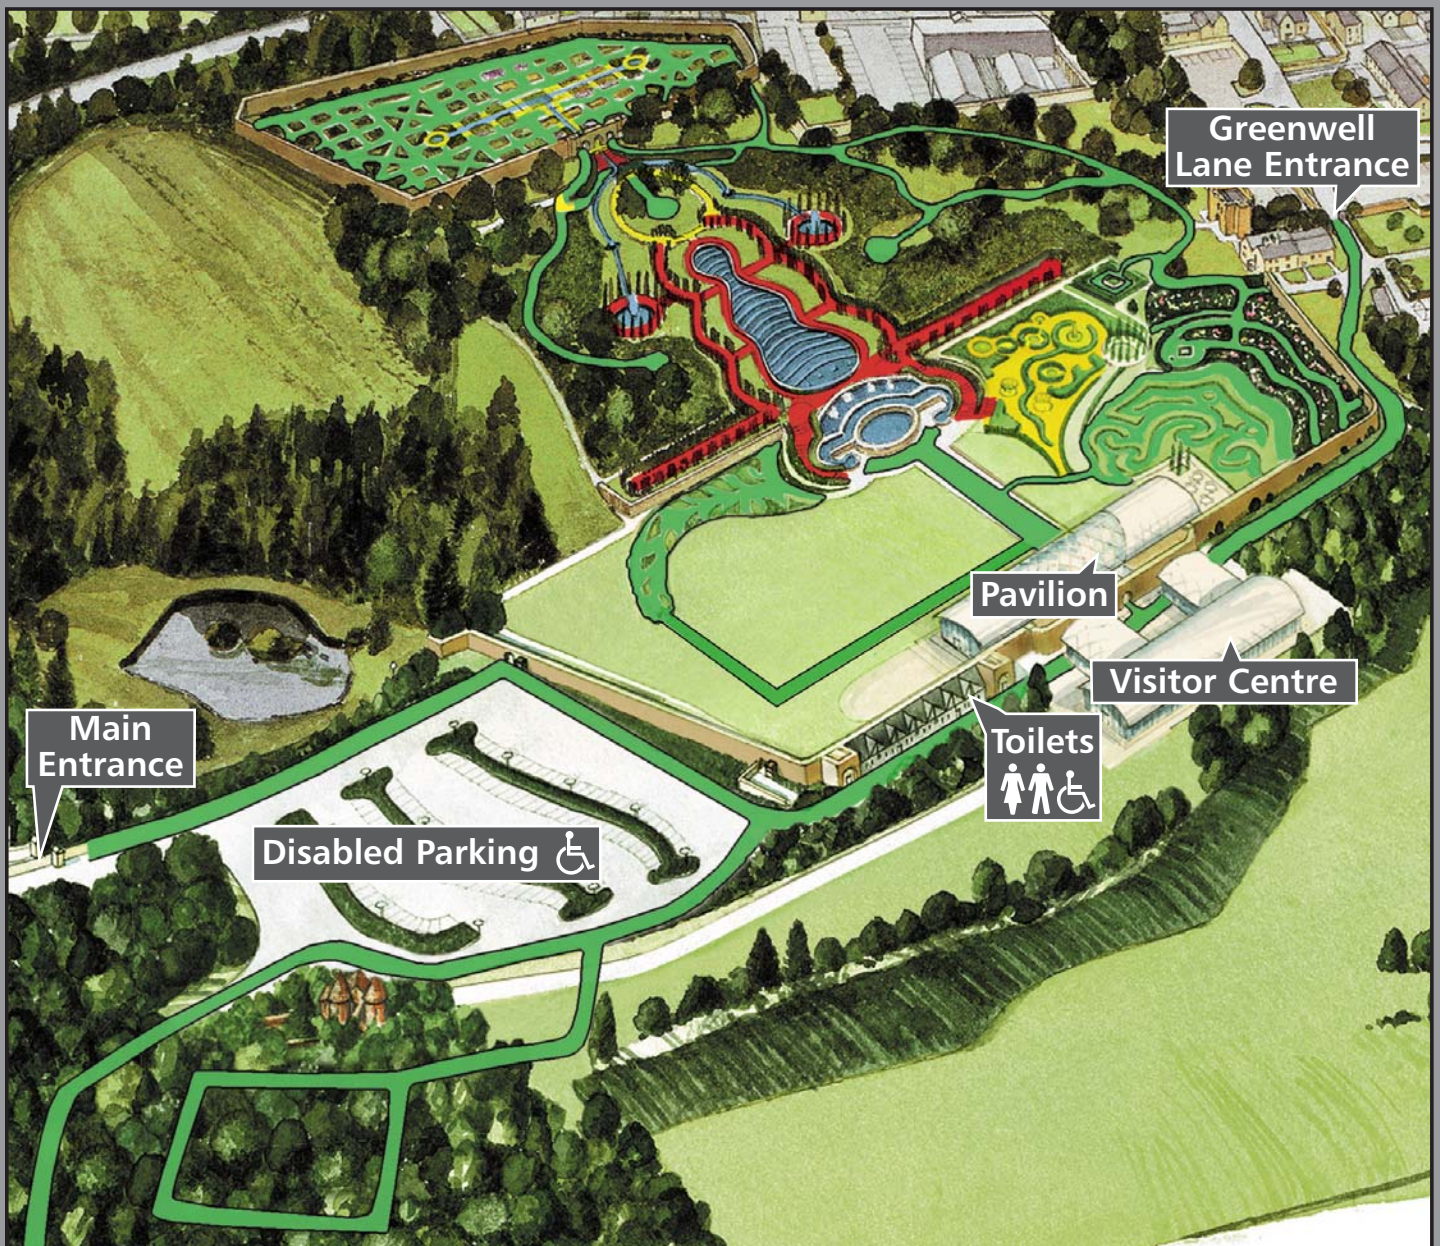

Always follow the special instructions given to you by The Garden staff about using the scooters.

- **DO NOT** transfer on or off the scooter until it is turned OFF, completely stopped and on a stable and level surface.
- **DO NOT** turn the Key Switch off while the scooter is moving. This will cause the brake to activate, stopping the vehicle abruptly.
- **DO NOT** attempt to get off the scooter when it is moving.
- **ALWAYS** turn the power off when the scooter is not in use. This will keep the unit from being accidentally moved.
- **ALWAYS** keep arms and legs within the confines of the scooter.
- **ALWAYS** reduce to a safe speed when making a turn or going around a corner.
- **DO NOT** drive across an incline.
- **NEVER** try to turn around on an incline!
- **ALWAYS** drive straight up and down inclines.
- **USE CAUTION** when braking on an incline or wet or slippery surfaces as the scooter will take longer to come to a complete stop.
